

Day 20

Goal 6- Combat HIV/Aids, malaria and other diseases

Reduce poverty, improve education, improve all other goals

Disease as warfare

= diseases will be combated better

instead of trying to get rid of it they spread it

As we have fought disease we have learned to control it- not always for the best

What diseases are scaring Djibouti?  
Who are they effecting?  
How is it affecting the economy?  
What have they done to try to improve?
